

SOFT CARE you can feel

Clinically proven to nourish your little one's skin, Becutan baby wipes with chamomile are thick and exceptionally soft for a gentle clean. Becutan baby wipes are dermatologist approved, with the calming benefits of chamomile, a plant cherished for its soothing properties across generations.

With 98% ingredients of natural origin, Becutan wipes are designed for even the most sensitive skin. Chamomile helps to soothe irritation, ease redness, and restore comfort, while the ultra-soft fabric gently glides across the skin, leaving it clean, refreshed, and lightly moisturized.

How to use:

Clean your child's skin gently with the wipe. Wipes are intended for single use only. Do not flush down the toilet. After use, close the pack carefully to prevent the wipes from drying out. Use wipes to gently cleanse hands, face, and anywhere needed throughout the day. Perfect for refreshing and removing dirt or impurities on the go.

*Because care is not just what we do.
It's who we are.*
